Logan Heights Honors America's Service Men & Women "Honor Them by Remembering"

On Veteran's Day, November 11, 2008, the Logan Heights Veterans Memorial (LHVM) Committee in partnership with the Chicano Park Steering Committee broke ground on the future site of the Logan Heights Veterans Memorial. The Groundbreaking ceremony was held at Chicano Park.

The committee would like to extend an invitation to interested Artists in the San Diego community to submit their Memorial renderings to the Memorial Design Sub-Committee.

Artist submission form and monument criteria are available on the website at info@lhveteransmemorial.com. Entries must be submitted to the Memorial Design Sub-Committee no later than November 2, 2009. *No exceptions*. The winner of the design competition will be announced after December 7, 2009 on the Logan Heights Veterans Memorial website.

This memorial when completed will stand as a testament to the courage, valor, and sacrifices made by our service men and women. The memorial will honor the veterans, and soldiers of the very diverse community of Logan Heights and all of San Diego. The monument will bring an important and educational component to the families of not only Logan Heights and the greater San Diego area, but also to the citizens of the world who visit our fair city. It will be a place to pay homage, to reflect, and to remember.

We look forward to your participation and support. Everyone is welcome!
